## December 2018 Statement Messages

All IRA owners will have a statement message from TCA by E\*TRADE on their December statements as follows:

### Message from TCA by E\*TRADE

*Your account balance as of December 31 will be reported to the Internal Revenue Service as the fair market value for your IRA.*

**Advisor Personalized Statement Commentary.** If you would like to provide a message to your clients on your December 2018 statements, send your message to your Relationship Manager before December 31, 2018. Statement messages received after this date will delay the creation and mailing of your statements.

*Note: If you already have a recurring statement message, that message will continue unless we receive new instructions from you.*

**Statement Inserts.** If you have a statement insert, please notify your Relationship Manager by December 31, 2018. Please provide a PDF version of the insert to be included with electronic statements.

If you wish TCA by E\*TRADE to print your insert, send the PDF version of the insert to your Relationship Manager by December 15, 2018, so that a quote can be prepared and ample time is provided for the printing process.

## Qualified Plans including 401(k) Plan Establishment Deadlines

Qualified Plans, including 401(k)s, must be established by December 31, 2018, for the plan to be considered in effect for calendar year 2018. If both the employer and the plan trustee have signed and dated the Qualified Plan Adoption Agreement, and documents are complete, accurate, and received by December 31, 2018, TCA by E\*TRADE considers the account open and in effect for calendar year 2018. Employer contributions to the plan may be made in 2019

up until the company's tax filing deadline. If a contribution is an employee pretax or a Roth deferral, then the contribution must be made on the earliest date that the contribution can be paid by the employer to the plan, in accordance with IRS guidelines.

## Cost Basis Reports

"Cost Basis Not Received—Transfers In": To help you identify any positions transferred to TCA by E\*TRADE for which we have not received cost basis data, you can run the "Cost Basis Not Received—Transfers In" report. This report identifies all taxable accounts that have assets with a cost basis of zero.

Please ensure that cost basis information is provided to TCA by E\*TRADE by December 31, 2018, but no later than January 11, 2019.

## RMD Report to Determine Status of RMD and LEP Requirements

The RMD report is available as a standard report on Liberty, enabling you to monitor the status of your clients' RMD and LEP requirements. The RMD report is also available at the representative level. The report lists all IRAs where the account owner reached the age of 70 1/2 prior to January 1, 2018, or is a Beneficiary IRA, which is eligible for LEP payments and provides the following information:

- TCA by E\*TRADE account previous year end value
- The divisor (how the RMD or LEP should be calculated)
- Required RMD or LEP amount
- RMD or LEP taken
- Scheduled distribution amount remaining
- Total RMD or LEP amount taken and scheduled distributions remaining
- Current shortfall
- Expected shortfall
- Adjusted systematic distribution RMD (if RMD or LEP is set to recalculate each year)

# 2018 Year-End Reminders

## **Important:**

If the account transferred to TCA by E\*TRADE on or after January 1, 2018, the prior year end market value will need to be provided to TCA by E\*TRADE in order for the 2018 RMD or LEP to be calculated.

For those IRA owners that have completed a Roth Conversion from their IRA account and still need to satisfy their RMD requirement for the year, please use the column that displays the total required RMD amount for reference, rather than just viewing the total taken column of the report, as that column contains all distributions taken from the account including Roth Conversions.

## **January 2019 RMD Systematic Distributions**

The December 31, 2018, Fair Market Value (FMV) will not be finalized for 2019 RMD calculations until the second/third week in January 2019.

Monthly, quarterly, or semi-annual systematic distributions: Any monthly, quarterly or semi-annual systematic distributions scheduled for January 1–24 will not be based on the 2018 FMV. These payments will be the same amount as the 2018 systematic RMD payments. Then, prior to the February systematic payment, your Relationship Manager will calculate and modify the remaining systematic amounts to meet the required minimum distribution.

## **Holiday Closures**

In observance of the holidays, TCA by E\*TRADE will be closed on:

- Tuesday, December 25, 2018
- Tuesday, January 1, 2019

If you have any questions regarding this notice, please contact your Relationship Manager.
