

Announcing Focus on the Future: November 12

As someone who puts their clients first, you know the value of a reliable business partner and someone who puts you first. I wanted to take a moment to personally express my gratitude for your partnership and to share my excitement about some things we're working on to help you grow your business and serve your clients—one of which is our approaching keynote event, *Focus on the Future*.

We are happy to announce that *Focus on the Future* will take place on **November 12** and that our team is working diligently to produce a digital event that will deliver valuable business insights and provide you the opportunity to hear from nationally renowned speakers.

We look forward to sharing more about how we've been enhancing our service model, developing intuitive technology, and creating tools to help you and your business expand. A save-the-date communication will be coming soon, so until then, please mark your calendar for November 12.

We very much look forward to connecting with you within that forum and, of course, will keep you informed with event information and more in coming weeks. We hope you are enjoying your summer and wish you all the best.

Thank you,

Matt Wilson
President
