Mutual Fund Disclosures

This fund list is not a complete list of available funds on the E*Trade Advisor Services platform. This list only contains funds available for participation in the Custody Advantage Fee Offset program.

Select mutual funds are not immediately available. Certain funds require activation by advisor. Funds may require three or more days to complete activation depending on the fund's processing time. Before making an initial investment into a fund, contact your relationship manager to check the funds availability.

Funds not listed may be requested by an advisor. Availability of a new fund varies depending on the fund's processing time and trading requirements. To request a new fund, contact your relationship manager.

Some of the funds listed are load funds negotiated at net asset value. Fund companies may place certain conditions on net asset value purchases that would make the fund ineligible in certain situations or for certain advisors.

restrict trading at any time without notice. Advisors are responsible for compliance and for knowing all fund-imposed restrictions, holding periods, and any resulting penalties or fees. All fees, penalties, and other charges are the responsibility of the investor.

funds. E*Trade Advisor Services cut-off times may differ from a fund's cut-off time depending on E*Trade Advisor Services processing requirements.

Private and for Institutional Use Only
