

## Income PDF Reports Now Available in Liberty Standard Reports

The Income PDF 2016+ Report is an enhancement to the Income Text 2015- Report in Liberty standard reports. Both the Income PDF 2016+ Report and the Income Text 2015- Report are available in the list of standard reports.

### Income PDF 2016+ Report

This is a PDF version of a report that displays gain/loss, dividend, and interest income information for a single account in a date range within a calendar year. This report is meant to be run for years 2016 going forward.

### Income PDF 2015- Report

Originally called the Income report, this is a text version of a report that displays gain/loss, dividend, and interest income information for a single account in a date range within a calendar year. This report is meant to be run for years 2015 and prior.
