

## PRUDENTIAL INVESTMENTS UPDATE

### REVISIONS TO PRUDENTIAL INVESTMENTS' HOLDINGS DISCLOSURE POLICIES

#### APRIL 2016

Effective as of the end of March 2016, the Boards of Directors recently approved enhancements to the Prudential Investments Funds' portfolio holdings disclosure policies. As a result of these changes, the funds may now post their full portfolio holdings as of the end of each calendar month 15 days after the end of the month on the Prudential Investments mutual funds website. In alignment with the Prudential Investments website, various third party data bases such as Morningstar will also follow this new holdings schedule.

This change differs from the previous policy, which allowed funds to post no sooner than three business days prior to the end of the following month. As a result, shareholders are expected to have more timely access to full portfolio holdings information.

This revised policy will impact all Prudential Investments mutual funds with the exception of the Prudential Government Money Market Fund, Inc., which will continue to follow the previous policy.
