

Cash Demands Now Available on Liberty

Effective November 4, 2016, you have the ability to place Cash Demands in Liberty, eliminating the need for investment advisors to contact TCA to place the request on the account. You, the investment advisor, may now process the models to satisfy the cash demand as soon as the cash demand request has been submitted through Liberty.

To learn more about this feature, please review the [Liberty Cash Demands User Guide](#).

If you have questions or would like a demonstration, please contact your relationship manager.
