## REMINDER Class A Shares Open to Investors & Class A1 Open to Existing Shareholders

Franklin Templeton has received feedback that Financial Advisors have noticed our Class A1 shares are closed to new investors, but some are not informed that **we offer corresponding Class A shares where they can open new accounts and place trades**. Provided below is the list of Funds where Class A1 shares are closed to new investors effective September 10, 2018, and their corresponding Class A Share. You may also find the attached flyer useful which shows our Class A1/A Sales Charges and NASDAQ Symbols. Please be advised that both [www.franklintempleton.com](http://www.franklintempleton.com) and Mutual Fund Profile II Security Database also reflect this information. Please distribute this information to branch and front offices as needed, and please contact your Dedicated Service Team at 1-800/266-6768 if you have any questions.
