Ned Davis Research (NDR) is a global provider of independent investment research, solutions, and other investment tools. Founded in 1980, NDR's strategists and analysts use fundamental and technical research with models, charts, indicators, and weight-of-the-evidence methodology to provide market insights. Ned Davis Research provides research to Day Hagan, one of the money managers on our Money Manager X-Change (MMX) platform.

NDR provides weekly talking points and key visuals from NDR strategists' insights via a free online subscription.
