Effective August 18, you can print the Trading Processing Messages and Alerts Report from Liberty. This is the first of such reports with many other reports being developed and will be available over the coming months – stay tuned.

A PDF record of Trading Processing Messages and Alerts Report related to trading events can be created from Liberty and saved locally, in order to keep a permanent record.

Please review the consolidated _Liberty Trading User Guide_ to learn more (page 142-143).

For your ease of reference, all Liberty User Guides are now available on Liberty and at http://riaconnection.trustamerica.com/ under Quick Links to the right of our RIAconnection web page.
