Liberty Message Center Enhancements

We are updating the Message Center alerts in the top menu bar in Liberty to accurately reflect the number of cases that are pending customer response as well as the total number of cases open for the representative and office manager views.

In addition, we have made enhancements to the “Create” function on Message Center. This will fix the action buttons to the dialogue to reduce scrolling.

If you have any questions, please contact your Client Service Advocate.

Investment Products: Not FDIC Insured - No Bank Guarantee - May Lose Value.
